High Jump has reshaped the educational landscape of Chicago for decades. Please join us at the Spring of Opportunity Benefit as we celebrate High Jump's lasting impact and support its mission to open doors for Chicago middle school students.

Your sponsorship helps make our tuition-free programming possible, providing students with the experiences, resources, and support they need to thrive in high school, college, and beyond. Together, we can ensure students from families of limited financial means have what they need to unlock their potential. We are honored to invite you to an inspiring evening of dinner, drinks, and celebration.

Your Support will help Fund:

Enriching field trip experiences.

Hands-on science experiences and lab supplies.

A full year of learning for over 500 High Jump scholars.

Access to clinicians and social-emotional learning.

Alumni teaching assistants who guide and inspire.
